# Lumin Collection

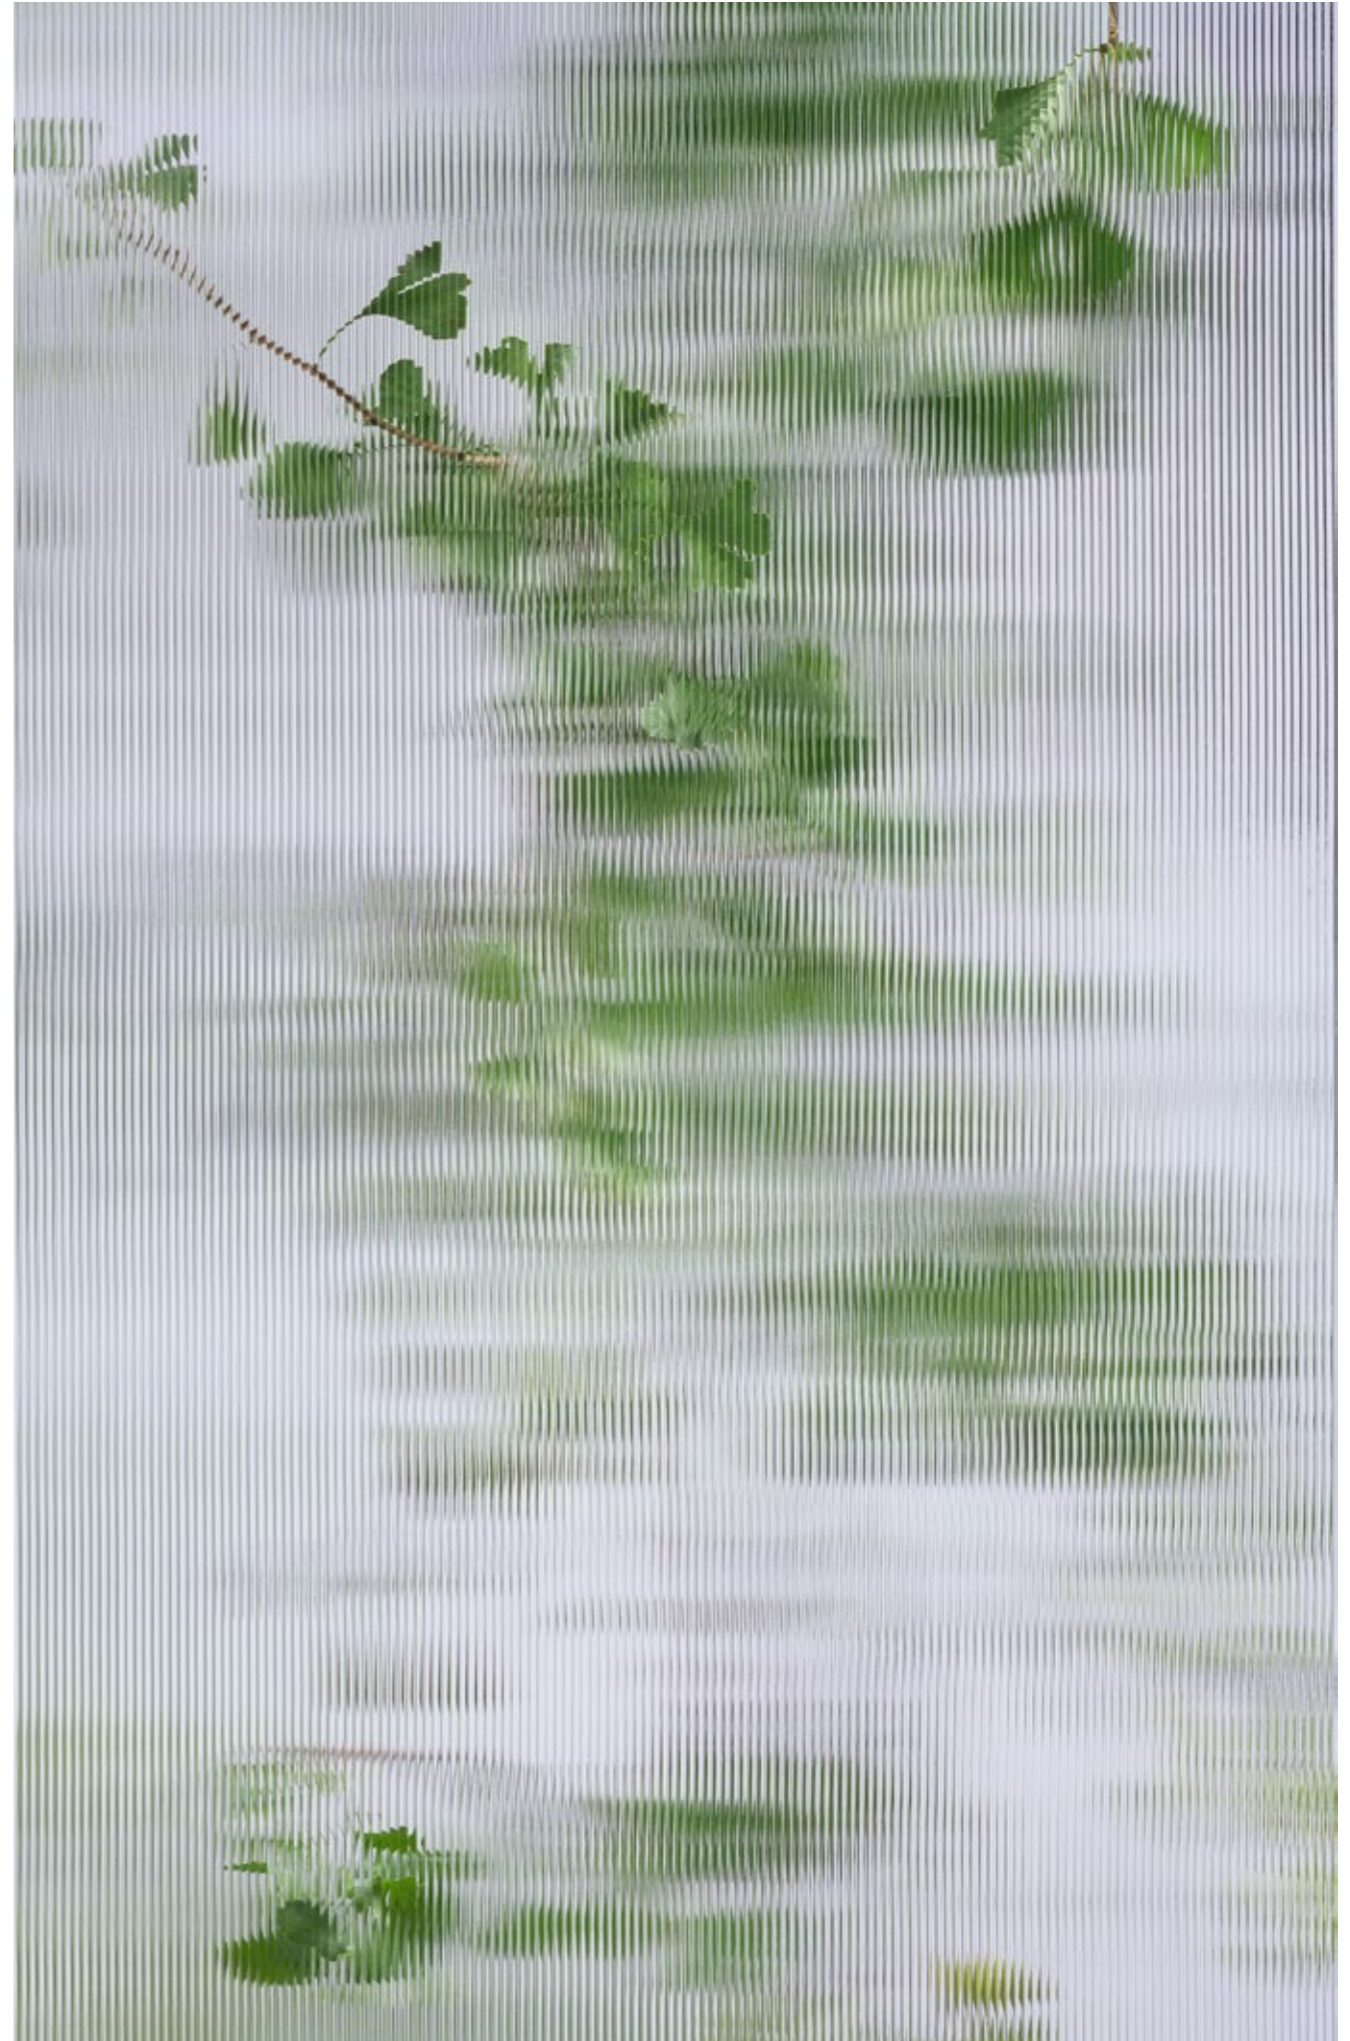

Lumin is a symphony of light, where every beam and shadow weaves a narrative of warmth, reflection, and serenity. This collection captures the ethereal dance of light as it graces surfaces. Light is more than illumination; it is the exact essence that breathes meaning into life, whispering tales of tranquility, connection, and timeless beauty through its gentle embrace.

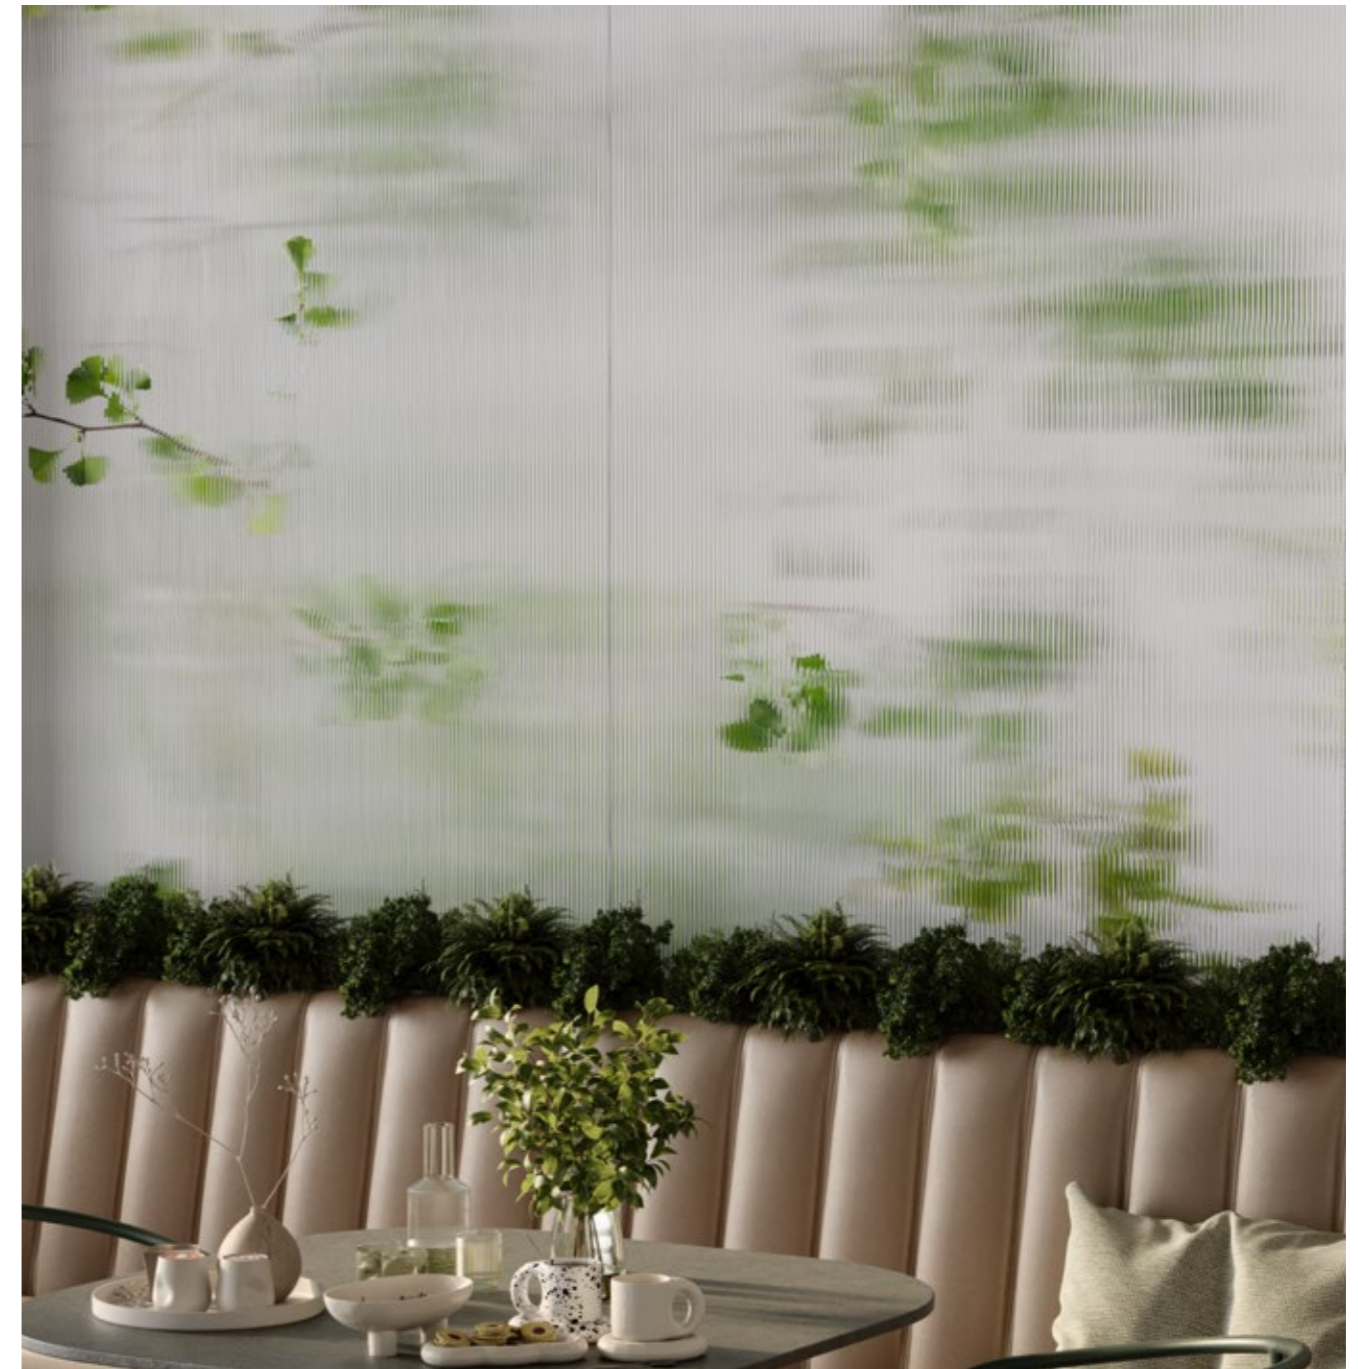

# Lucent

*Limited Edition*

Lucent emerged from the Lumin collection, where the transparency of glass unveils gentle whispers of the world beyond. Light and the verdant leaves dance gracefully through the refraction, creating a symphony of movement and color, as each ray bends to reveal the delicate green beneath, casting fleeting patterns of life and nature's beauty. Lucent with the Evodry effect, resonates deeply with those who seek a harmonious blend of elegance and the soft glow of light.

Lucent, a masterpiece from the Lumin collection, is where the allure of transparency meets the poetry of light. It captures more than the mere clarity of glass; it unveils a delicate conversation between light and nature. As rays pass through Lucent's flawless surface, they bend and refract, gently intertwining with the soft, verdant hues of leaves beyond. Each beam dances gracefully, casting intricate patterns that shift with every movement, a fleeting reflection of life and nature's quiet beauty.

# Décor Collection

At Decor, we see walls as more than just separators between spaces; they are elements that shape the character and aesthetic of a room. The Decor Collection amplifies this notion by introducing intricate patterns and textures inspired by elegance and sophistication. With detailed engravings and refined reliefs, these designs bring an elevated sense of luxury to any environment. The textured surfaces of our porcelain slabs blend timeless beauty with modern innovation, offering a striking balance between style and durability, transforming your space with a rich, tactile experience that feels natural and contemporary.

# Viola

*Limited Edition*

Viola is an enchanting pattern featuring a harmonious blend of vibrant and deep blue leaves, delicately painted in a watercolor style. The design gracefully descends down the wall, while its colorful petals unfurl as if swayed by a gentle breeze, evoking a sense of captivating foliage. A backdrop of shimmering silver fabric beckons you to explore beyond the surface and uncover the enchantment of the lush vegetation depicted. Imagine ethereal flowers suspended in mid-air, their delicate hues enhancing the timeless and romantic allure of this pattern. The playful and light-hearted design infuses any space with a dreamy ambiance, infusing movement and vibrancy into its surroundings.

Viva is a modern and unique design that features elegant overlapping layers of geometric shapes and thin lines. It invites exploration of the space beyond the porthole with its composition based on the juxtaposition of straight lines and curved shapes, imparting a strong dynamism. Inspired by the architectural movement of the 1950s, Brutalism, Viva incorporates elements such as pure, rigorous narrative patterns, monochrome shades, and texture. The rough texture variation on the surface, along with its irregular and extravagant characteristics, adds to the distinctiveness of the Viva design.

## *A Symphony of Geometry and Innovation*

Viva embodies the bold spirit of innovation and the timeless appeal of geometry. It is not merely a design; it is a modern aesthetic prism, a celebration of shapes and lines' power to transform spaces. Elegant layers of geometric shapes, interlaced with delicate, thin lines, invite viewers on a visual journey beyond the ordinary. Viva's narrative capacity, through the overlapping layers and interplay of forms, recounts architectural evolution, from Brutalism's utilitarian boldness to contemporary design's nuanced expressions. Viva is more than an object of beauty; it is a piece of history, a dialogue between the past and present that enriches its surroundings. Imperio has crafted an experience in creating Viva, a declaration of beauty in complexity, a design that challenges and invites exploration. It epitomizes Imperio's commitment to design innovation, offering a piece that pays tribute to architectural history while looking forward to modern aesthetics. Viva is an invitation to the extraordinary, to inhabit spaces animated by boundless design imagination.

This gateway to the past connects the artistic prowess of yesteryears with today's innovative technology. Each piece in the Hypnotize collection narrates the passage of time, mirroring the graceful aging of an ancient Persian carpet. The designs serve as canvases where history and art unite, weaving mesmerizing patterns that blend and fade, evoking carpets that have borne witness to the ebbs and flows of countless days. Running your fingers over the surfaces of the Hypnotize ceramics deepens the narrative. The antique white lines, reminiscent of the warp and weft of an aged carpet, transcend mere decoration. They invite you into a tranquil Persian garden at dusk, where shadows interplay with light, crafting a serene haven for the soul.
